Remaining courses total	111
Total Credits	120

*The practicum consists of 120 hours, 60 of which are done at a healthcare site, with the remaining hours done in a virtual lab.

**Students must earn a 'C' or better in each course for the course to be eligible to transfer to SJC.

**Students must earn a minimum of 30 credits at Saint Joseph's College and 18 credits must be within their major.

**Students must complete at least 120 credits in order to receive a Bachelor's Degree.

**This template should be used as a guide. Official evaluations will take place after the student is accepted at Saint Joseph's College and all official transcripts have been received.
