

Transferring your ePortfolio from Brightspace to myDesire2Learn

1- Establish a myDesire2Learn login

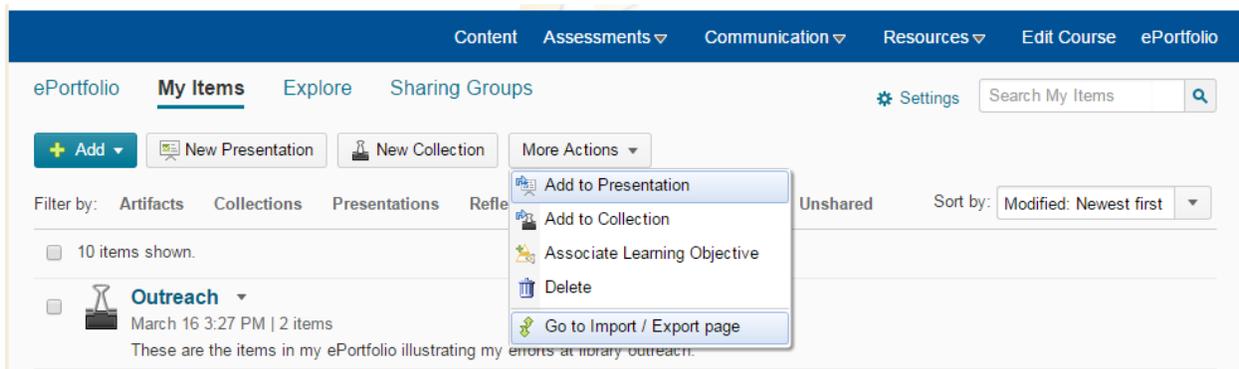

MyDesire2Learn is a cloud-based ePortfolio hosted by Desire2Learn (D2L). You can export your content from ePortfolio to MyDesire2Learn if you want to be able to access it after you can no longer log in to Brightspace.

To access MyDesire2Learn, you will need to create a MyDesire2Learn account (EduIdentity account). Create your account here: <https://www.mydesire2learn.com/d2l/ed/cns/ca/serviceAgreement>

After you have your login, you can:

2- Export your ePortfolio content to your computer

From the My Items tab in ePortfolio, choose **More Actions** > **Go to Import/Export page**.

Choose **Export**, then choose whether you would like to export **All Items** or only specific items you select. When you have selected the items you want, choose **Export** and a .zip file will be prepared for you in a pop-up window. Once the file is ready, you'll need to click the name of the file to download it to your computer. Make sure you know where the file has downloaded, because once it has download to your computer you're ready to:

3- Import your ePortfolio content to myDesire2Learn

Go to <https://www.mydesire2learn.com/> and login using the account you created in step one. The interface will look very similar to your ePortfolio in Brightspace. From the My Items tab in myDesire2Learn, choose **More Actions** > **Go to Import/Export page**. Click **Import**, then find and choose the .zip file you downloaded earlier. Click **Next** and wait for the process to run.

When it's done you can choose **Import** and wait until the progress is complete. Click **Done** and then navigate back to **My Items** to see your imported artifacts.
