

Master of Health Administration Program Mission Statement (REVISED May 2025)

The mission of the Master of Health Administration program at Saint Joseph's College of Maine is to foster professional and academic excellence in health administration and Catholic health leadership for a diverse community of health professionals. Upon graduation, graduates will possess advanced competencies in health administration to better serve with respect, compassion and justice in leadership roles in health organizations.

Master of Health Administration Program Vision Statement (REVISED May 2025)

The Saint Joseph's College Master of Health Administration program aims to equip a diverse community of compassionate health professionals with skills and competencies to improve healthcare systems and their communities and for marginalized populations.
